View Subaccounts for a VUL Product in Morningstar Advisor Workstation

Document Type: Job Aid
Estimated Time: 2–3 minutes
Audience: Investment Operations Analysts / Advisors

Purpose

Locate and display all available subaccounts for a specific variable life insurance (VUL) product.

Procedure

1. Log in to Morningstar Advisor Workstation.
2. Navigate to the **US VL Contract Universe**.
   From the left navigation panel:
   - Expand **Research** (if not already expanded).
   - Select **US VL Contract Universe**.
3. Open the Screener.
   Click **Show Screener** at the top of the screen.
4. Filter by Insurance Company.
   In the left panel:
   - Locate the **Insurance Company** dropdown.
   - Select the desired carrier.

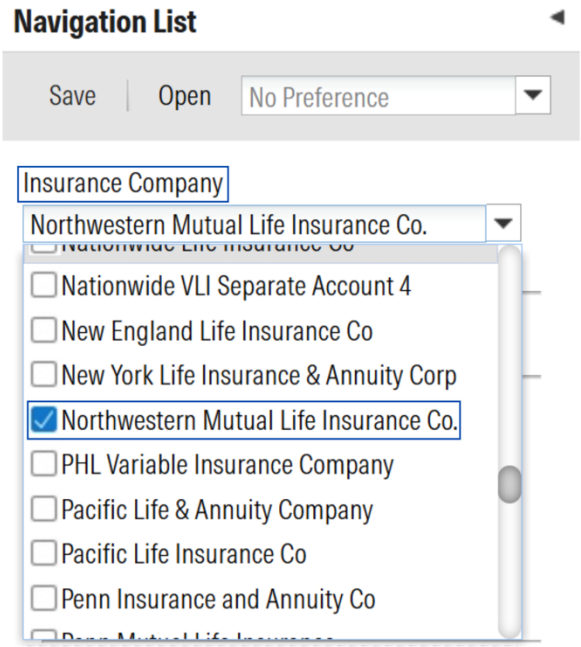

Figure 1. Select the desired insurance company.

5. Select the Product.
   In the results list:
   - Locate the desired product.
   - Click to highlight the product.

Tips

- The US VL Contract Universe must be selected to access variable life products.
- Subaccounts are not visible until a specific product is selected.
- Product names may vary slightly from carrier naming conventions.
